CMI EDUCATION POLICY STATEMENT

We, the Carmelites of Mary Immaculate, after the example of our founder Blessed Kuriakose Elias Chavara, consider education integral to the formation of the human person for the fulfillment of his/her individual and social responsibilities.

Our educational endeavours aim at forming leaders who are intellectually competent, spiritually mature, morally upright, psychologically integrated, physically healthy and socially acceptable; who will champion the cause of justice, love, truth and peace and who are ever open to further growth.

The secret of the success of our educational institutions is a community of teachers who are committed to their vocation, professionally competent, morally upright, just and human in dealings, and who grow in the true vision of education.

We aspire towards creating a just and humane society where dignity of the human person is respected, unjust social structures are challenged, our cultural heritage of ahimsa, religious harmony and national integration is upheld, and where the poor and the marginalized are specially taken care of.

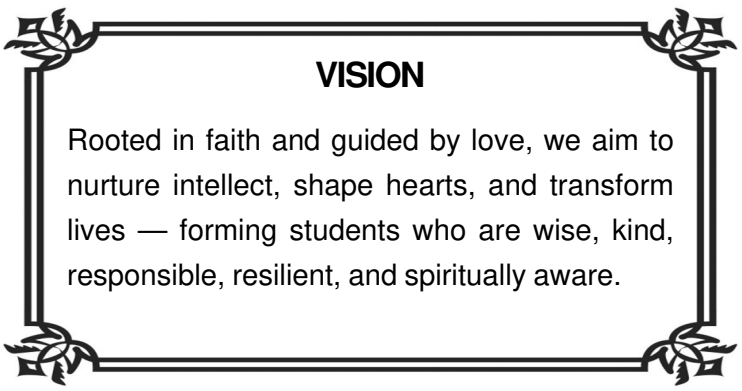

We have to reach out to the families, primarily of the students, to assist them in their needs, to share in their joys and sorrows, and to help them experience love and freedom so that the students realize that our educational institutions are an extension of their homes.

Our institutions are open to all students irrespective of caste and creed; they are accepted and cherished as they are and are helped to grow in their cultural, social and religious traditions. As they are privileged to be in our institutions, they will also have the right to get acquainted with the person of Jesus Christ and His Gospel. Being institutions established by and for a minority community based on religion, they will give preference to Christians in admissions and appointments and have a special concern for the faith formation of the Christian Youth.

Our institutions must be open to society at large by making their resources available for the ongoing education and non-formal teaching.

For the realizations of this CMI goal of education, we expect students, parents and teachers to share this vision and to co-operate with us wholeheartedly.

Food is for the body, so is wisdom for the intellect. -St. Chavara

VISION

Rooted in faith and guided by love, we aim to nurture intellect, shape hearts, and transform lives — forming students who are wise, kind, responsible, resilient, and spiritually aware.

EXPLANATION:

1. Rooted in faith and guided by love : We build our foundation on deep spiritual values and compassion. Faith gives us strength and direction, while love shapes our relationships, actions, and decisions with empathy and care.

2. Nurture intellect : We cultivate sharp thinking, creativity, and a hunger for knowledge. Intellect includes academic excellence, curiosity, and the ability to think critically and solve problems.

3. Shape hearts : Education is not just about the mind but also about forming a compassionate and empathetic heart. We help students grow emotionally, develop empathy, and understand the value of kindness and love.

4. Transform lives : Our goal is holistic growth. We don't just educate students; we empower them to become better individuals who can transform their own lives and impact the lives of others.

VALUES WE INSTILL :

Wise : Not just knowledgeable, but able to make good decisions, guided by experience, reflection, and a strong moral compass.

Kind : Showing compassion, empathy, and respect toward others, regardless of background or status.

Responsible : Being accountable for one's actions, duties, and their effect on the community and environment. A responsible student is reliable and trustworthy.

Resilient : Able to adapt, recover, and grow stronger in the face of challenges. Life will always bring change — resilience helps students bounce back with courage and hope.

Spiritually aware : Having a connection to a deeper sense of purpose and values. It means being guided by one's conscience, faith, and a desire to live a meaningful life.

We envision students who are not just academically excellent but holistically developed — intellectually sharp, emotionally balanced, morally grounded, socially conscious, and spiritually awakened. Such individuals will not only succeed in their personal lives but also become agents of positive change in society, serving others with humility, wisdom, and compassion.

MISSION

We are committed to providing holistic education rooted in Christian values and the CMI tradition. Our mission is to nurture students into intellectually capable, morally upright, and spiritually aware individuals. We aim to instill human values, integrity, and self-reliance, while shaping resourceful, compassionate learners ready to face life's challenges and serve society with wisdom and heart.

ROLE MODEL

St. Xavier's CMI School envisions the holistic development of every student, following the model of Jesus, who "grew in wisdom and stature, and in favour with God and man" (Luke 2:52). Inspired by His life, we strive to nurture individuals who grow intellectually, morally, spiritually, and socially.

CORE VALUES

1. Faith in God: Trusting and living in relationship with God.
2. Wisdom and Knowledge: Pursuing intellectual growth and lifelong learning with curiosity and humility.
3. Integrity and Honesty: Upholding moral principles and truthfulness in all actions.
4. Compassion and Service: Caring for others selflessly and serving the community with love.
5. Holistic Growth: Fostering physical, emotional, social, spiritual, and intellectual development.
6. Respect and Social Responsibility: Valuing every individual and contributing positively to society
7. Self-Reliance and Courage: Building confidence to face challenges wisely and independently.

THE EMBLEM

"JÑANENA SARVA-SARVESVARA BHAKTI"

This profound phrase means "Devotion to the Supreme Lord through true knowledge." It captures the heart of our educational philosophy at St. Xavier's CMI School.

We believe that knowledge (jñāna) is not merely for academic excellence but is a path to wisdom, moral clarity, and spiritual awakening. As Jesus grew in wisdom and stature, and in favour with God and man (Luke 2:52), we aim to guide our students toward the holistic development of mind, heart, and soul.

Rooted in faith, strengthened by integrity, and inspired by service and compassion, our mission is to shape individuals who seek truth and live with purpose. Through this integration of learning and devotion, our students grow not only as intelligent and self-reliant individuals but also as faithful, value-driven human beings who strive to live in harmony with God, others, and the world.

THE MOTTO

As our motto implies, the culture and the discipline of our children starts first from their school, where they are getting more and more training in lessons and how to become a good citizen in future. At home these lessons should be practiced more thoroughly and then the family complements the teaching - learning process by bringing them up in strict discipline, good manners and punctuality.

SCHOOL PRAYER

Lord our heavenly father, we thank You for giving this new day.
 Be with us oh Lord. Let Your light shine on our St. Xavier's
 CMI School. Bless our Principal, staff and all our dear students.
 We place all our difficulties, worries, problems in You. We know
 that with God we can do everything. O God forgive our faults
 and mistakes and lead us to the right path. We lift up ourselves,
 our school, our home and all our dear ones before You. Let my
 love of You grow more and more every day be touched by Your
 divine love. Amen

THE LORD'S PRAYER

Our Father in heaven
 Holy be your name,
 Your Kingdom come,
 Your will be done on earth, as it is in
 heaven.
 Give us today our daily bread
 Forgive us our sins
 As we forgive those who sin against us,
 Do not bring us to the test
 But deliver us from evil
 Amen
